Player Groups & Prizes

In addition to the individual player prizes (left panel) for the top five finishing players in the Masters on April 9, there will be various groups of players available for Auction bidding. If you bid on and win a particular player group, e.g., the American players in the Nationality Groups - and an American player wins the Masters - you will win the set of "fitted" Cobra F7 Fairway Irons..

In addition to the three Nationality Groups, there will be multiple Five-Player Groups available for bidding. If you bid on and win one of the Five-Player Groups -- and any one of your five players finishes in the Top 20 on April 9 -- almost a "sure thing," you win the indicated prize.

And, there will be 15 or so silent auction sheets available for the remaining Masters players (in groups of four). If you bid on and win one of these groups and any one of your silent auction players finishes in the top five in the Masters, you win that prize!
