

Chariho Community Strategic Projects Fund **Grant Application Packet**

Grant Application Instructions

For your grant application to be considered, your proposal must include the following three components:

1. The completed **Project Summary** form (see page 2).
2. A brief **Project Description** as specified on page 3 of this application. Your Project Description should be limited to one page.
3. An itemized **Project Budget** also described on page 3. The budget should be on a separate page.

Please Note: CCSP Grants cannot be used to fund salaries, stipends, transportation, or political activities.
When CCSP funds are used to buy devices such as digital cameras, pedometers, etc. these devices should be placed in the school's Media Center at the conclusion of the project. The devices will then be available for other projects in future years.

One copy of the completed application must be e-mailed to David Capaldi, Chair- Grants Review Committee at dacapaldi@aol.com and a second copy, signed by the building principal and assistant superintendent/superintendent, mailed to:

**CCSP Grant Review Committee
Community 2000 Education Foundation
P.O. Box 1161
Charlestown, RI 02813**

Only applications received by the deadlines at the above addresses will be considered.

Proposals for the spring round of CCSP grants must be emailed to dacapaldi@aol.com on or before May 1st.

Proposals for the fall round of CCSP grants must be emailed to dacapaldi@aol.com on or before October 15th.

If your project is one of those selected for a CCSP grant, we will notify you before the end of this school term. Funds will be available before the beginning of the following term.

Within the month after conclusion of your project, you must submit a brief report that indicates your success at meeting your projects objectives.

For answers to any questions regarding the CCSP grant program in general or the application procedures in particular, contact David Capaldi, Chair- CCEP Grants Review Committee at dacapaldi@aol.com or Chris Philips at jchrisphilips@aol.com or 322-1182.

Chariho Community Strategic Projects

Chariho Community Strategic Projects **Grant Application**

Project Description

On a single page, please supply the following information about your proposed project.

- State the purposes, goals and primary activities of your project and indicate any special materials or services that are needed to complete it.
- Explain 1 page or less how this project is aligned with strategic directions or action plans for improving academic performance or overall quality of education in the school system.
- Show a timetable for implementing the activities and completing you project.
- Indicate the class, school and/or community needs or challenges that this effort will address.
- Identify any organizations that are collaborating in the project and why they are beneficial partners.
- Define your criteria for measuring the success of the project.
- If applicable, describe any long-term benefits gained from your project.
- List other companies or foundations, if any, that you are approaching for funding and the amount requested.

If you are a non-profit organization requesting our support and are not directly connected with the Chariho Regional School District, please provide us with a brief description of your overall activities and programs and your reasons for sponsoring the proposed project. This can be a separate document if you have a brochure that describes your organization.

Project Budget

Provide a line-by-line statement of the proposed budget for your project, on a separate page. The budget should indicate the dollar expenses and incomes shown below, but is not limited to these items.

Expenses

- Capital Equipment (furniture, fixtures, computer systems, etc.)
- Supplies
- Printing and copying
- Telephone and fax
- Postage and delivery

Income expected from other sources (if any)

- Individuals
- Partners
- Fund raising events

(The difference between Total Expenses and Total Income should equal the amount of your grant request.)

In-kind Support

- Compute the \$ value of in-kind services by multiplying total volunteer hours by \$10/hour.
- Indicate the \$ value of any equipment or services donated to the project by individuals or organizations.
